

Get Involved with the Advocacy Department!

MassCPAs' government affairs team

strives to protect your certificate license to practice accounting, and to promote an economy in Massachusetts where the profession and business will prosper. What we do legislatively affects your practice and livelihood as a CPA in the Commonwealth. We are at the forefront fighting for the interests of the profession and making sure the integrity of your license is protected.

Here are some ways you can get involved:

Be a Key Person

Work with us and your state legislators to promote pro-CPA legislation and protect the integrity of the CPA license. For information, visit masscpas.org/keyperson.

Donate to MassCPAs' Political Action Committee

Help us continue to promote and protect the profession on Beacon Hill. Visit masscpas.org/pac to donate.

Read our weekly Legislative Brief

Follow the top news stories and the latest updates of interest to the accounting profession. To read past issues, visit masscpas.org/legislativebrief.

Meet with the government affairs team

Discuss any legislative or policy topics on your mind. Issues that matter to you, are important to us.
