

# Get Involved with the Membership Department!

## MassCPAs' membership team

is here to help you connect with peers, expand your network, grow your career and make the most of your membership.

Here are some ways you can get involved:

## Join one or more of MassCPAs' 20+ committees

- Network with other professionals across industries, gain experience, meet people to advance your career while earning free CPE!
- Take advantage of countless learning opportunities and remain informed on topics impacting your firm/company and industry.

## Visit The HUB:

Our exclusive online community allows members to ask and answer questions, share resources network and receive feedback from 11,000 of your peers.

## Become a Firm Ambassador:

- This elite group of young professionals serve as a liaison between their networks, their firm and MassCPAs.
- Build valuable leadership skills, make lasting connections and cultivate community within your firm by gaining recognition as a leader in your firm and your professional community.

## Sign up for regional networking groups and roundtables

Free for all MassCPAs members with the opportunity to earn free CPE. Find a roundtable tailored to you!

Topics include:

**Small Firms**

**Senior Accountant**

(Designed for members recently promoted to senior accountant or senior associate.)
